Corner originally set by Ebenezer E. Haft in survey approved December 31, 1860. His record reads: Set a post on bank of Butter Creek in mound for qr. sec. corner with trench and pits and deposited 1 pint of charcoal as per instructions. Wayne Harris set a 2" Iron Pipe under Umatilla County Survey Q-1300-A in 1958. I found no other record of monumentation at this corner.

Monument and Accessories found: (condition and source)

None. The point falls in a field access road between the creek and an irrigation ditch.
